Intro

Who doesn't love music?
Music is one of the many
forms of art that people often
find themselves hours upon
hours perfecting and creating.

Regardless of who you are,
someone who loves the feeling
of action or someone who
wishes to feel peaceful, we all
have our own meanings and
tastes in music.

Spring Flowers

As You Will Listen to in a
bit a piano song called
Spring Flowers composed
by Keys of the Moon.

Music can be used for many reasons such as:

- To express the cultural standards of rhythm, melody, and harmony
- To aid in a dancing experience
- To have shows or movies express emotion and feeling
- Something for people to listen for a feeling or emotion whenever they please

NOT QUITE MY TEMPO

Not All Sounds Are Music

The picture above depicts a scene from the hit movie, "Whiplash" where the character played by JK Simmons informs the young student on their tempo mess up
